IMPORTANT DATES:

TICKETS - Wednesday, May 8th, 2019

Tickets for Balletomane's Shows are available for purchase at the Oakville Centre Box Office – www.oakvillecentre.ca or 905 815 2021. Balletomane has tried many different ways of organizing the shows for students, parents and our audience. Based on ticket sales from past years, and to keep a manageable show running time, we have decided that this year we will have two show performances, performed twice. Please purchase as many tickets as possible to help our students feel supported. Your children and their teachers put a great deal of work and effort into the shows so please come out and enjoy them. I know it can be expensive to come to multiple shows but these performances are an important part of your childrens' dance education. The cost of the theatre rental and wages are covered by the cost of these tickets and I do hope that you can support the school with this endeavor.

There may be some costumes still in need of tailoring on the week of costume sales. We ask that you still pay for the costume and it will be distributed to your child by the dress rehearsal. We ask for your patience and understanding with this matter as we are never certain of the fit when ordering costumes – however, we do our best to make sure the costume fits properly.

On Saturday, May 25, 2019 a notice will be sent out with specific shoes, tights and costume details. Please watch for this notice to be sure students have all requirements for the show.

BALLETOMANE WILL NOT BE DOING ANY HAIR OR MAKE-UP AT THE SHOWS. Parents will be responsible for dropping off their children with hair and make-up completed. If the student arrives unprepared, they will not be able to perform on stage.

SENIOR STUDENTS:

We have prepared You Tube videos that will take you through how to do hair and make-up for your child. Hair is required to be in a slick straight back ballet flat bun. There should be no loose hair hanging out and buns all need to have a hairnet and be flat. Please watch the video for details. Should you have any questions, please do not hesitate to ask the staff or teachers.

For the Senior Show Hair & Make Up Demonstration – please go to the YouTube Site and search:

New 2018 Balletomane Hair and Make up Tutorial (Senior Show)

You must book appointments for this salon and pay a deposit as they will not be able to accommodate 'walk – ins'. There are also many senior students that can help with hair and make up, however all students need to arrive to the theatre with hair and make up completed as there is no place to do this at the theatre. To have a senior student help with hair or make up, arrangements need to be made to meet the student prior to arriving at the theatre at a different location.

This is the first day students will be at the Oakville Centre! We advise students to arrive at the Oakville Centre approximately 30 mins before their scheduled blocking/rehearsal time. Last year we ran early so **please arrive 30 minutes before your scheduled time, as we cannot wait for late dancers!** We apologise in advance for students that will need to leave school early to attend this rehearsal, however our time at the theatre is extremely minimal for rehearsals and we must do what we can with the time given to us. Thank you for your understanding. Dancers are to wear rehearsal attire with hair in a ballet flat slick bun. Some students will be asked to wear the costume for lighting purposes. SHOW DAYS!

June 6th, 7th, & 8th, 2019 @ 7:00pm (Call time for ALL dancers – 6:00pm)

'MOMENTS IN HISTORY' Show at the Oakville Centre for the Performing Arts.

*Please be advised that all students performing in ACT ONE ONLY should be picked up at the intermission, which will be at approximately 8:30 – 8:40pm. All students wishing to watch Act Two need to purchase a ticket to sit in the auditorium. Students are NOT permitted to wear their costume or make-up into the theatre.

*Reminder that students must arrive in hair and make-up – we will not have any supplies or volunteers to do this. There is NO TIME OR SPACE to do students' hair or make up at the theatre. You will not be allowed past the stage door without the set Balletomane HAIR & MAKE UP – this applies to all students. Absolutely, no exceptions! This is extremely important as when students arrive at the theatre, they should be focused on the upcoming show and warm up and not getting the hair or make up done – we only have one hour to prepare for the start of the show! Thank you for your support!

Items to pack to the theatre/rehearsals:

Please ensure that all students have the following items packed for their hair in a clear Ziploc bag (clearly labeled): Black elastics, clear small elastics, bobby pins, hair pins, hair nets, hair spray, gel, thin bristle comb and brush.

Costumes are **NOT** allowed to be worn to or from the theatre. Carry all costumes, **CLEARLY LABELLED**, under a plastic bag. All shoes, tights and leotards must be marked with the student's full name. Balletomane will not have any spare shoes, tights or accessories – students must bring their own. Please make sure the correct make-up colors are purchased as listed. Please note – there are new shades listed this year.

Other Important Details:

- Students under the age of 18 years must be 'signed out' by a parent or guardian from the Oakville Centre. It is Balletomane policy that students are signed out at security. We ask all parents please sign out students and respect our school policy.
- Rehearsal and show days can be long and substantial in time and we ask that students DO NOT leave Balletomane or the Oakville Centre in between their numbers. This is imperative in case we are running early and have the opportunity to rehearse a number again. Your commitment to the success of the show is appreciated.
- As rehearsals can be lengthy we ask that students pack healthy snacks (nut free, non- microwaveable), water, games, or a book to read. If you are bringing phones or iPads – this is at the student and parent discretion. **Balletomane is not responsible for any items brought to the theatre.**
- All students should have costume pieces, shoes, tights, headpieces and any extra items **clearly labeled** before dress rehearsal. This is extremely important!
- Jewelry is not permitted – please leave it at home. No nail polish or fake nails permitted.

PROCEDURE FOR DANCERS WITH QUICK CHANGES:

A dancer will have a "Quick Change" in the show if they have 3 numbers or less between two of their dances. If the dancer has a quick change, please follow the following steps prior to arriving at the theatre on Thursday, June 6th, 2019:

1. Label all costume pieces and accessories.
2. Place all of the items into a bag (plastic or cloth grocery type bag – the Balletomane environmental bag is the perfect bag!)
3. Place the handle of the bag over the top hook of a hanger
4. Place the dancer's quick change tag (which will be picked up from the quick change team either at rehearsal or at the theatre) over the hanger.

Volunteers for our Performances!

Please volunteer and be apart of the magic back stage. Please note that we need volunteers for the full time listed and not for only portions of the set times. We need helpful volunteers that are happy to watch, entertain and assist our students. One small shift helps a lot!!!It also helps parents to see how much energy and efforts go into our shows! We would love to have you come out!
